

Saving content to your Google MyDrive

portal.education.nsw.gov.au 🔍

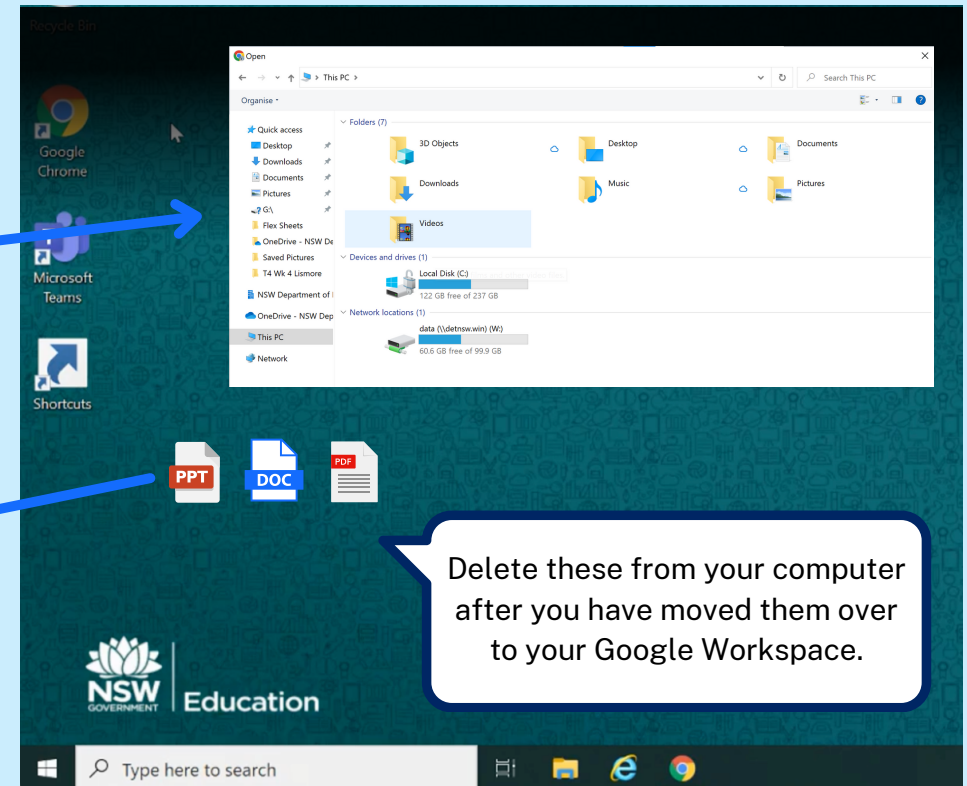

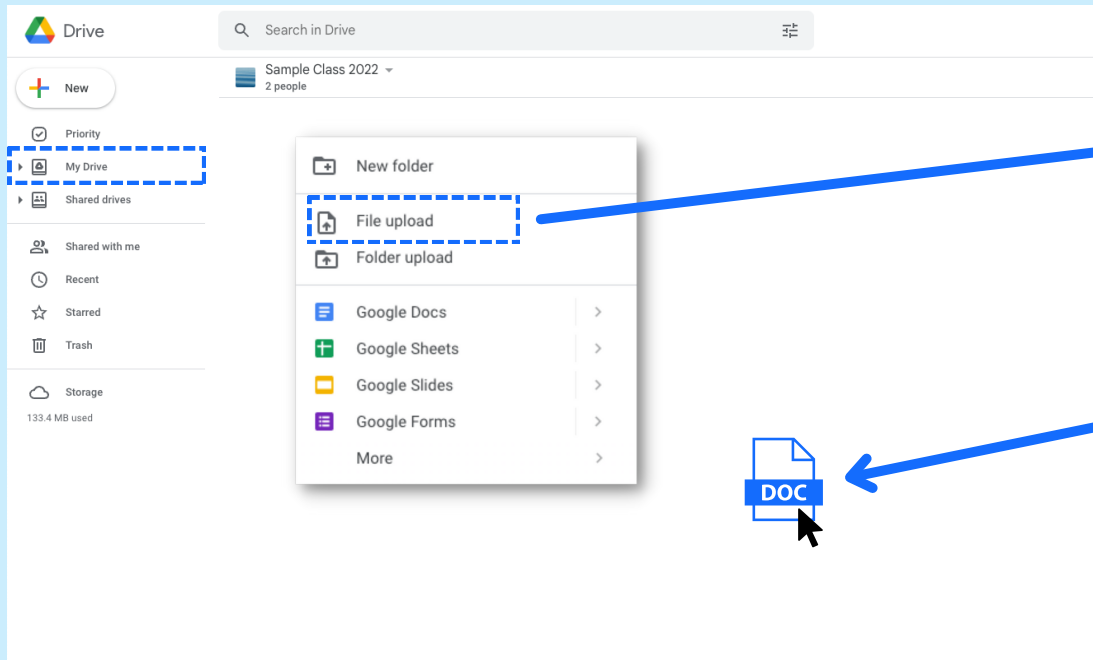

Navigate to your student portal and click 'Google Workspace'

 **Drive**
Store, create and share digital files

There are 2 ways to save work to your online Google Workspace.

- a) Drag and drop your files and folders into your Google Workspace within the web browser.
- b) Use the 'file upload' option in Google.

Delete these from your computer after you have moved them over to your Google Workspace.
